

Career Development Center

The Career Development Center Partnership Program provides an **exclusive opportunity for the world's most innovative organizations.**

Partner organizations share NC State's commitment to the growth of our students.

Partner support is instrumental to help the Career Development Center provide high-quality, impactful services to NC State students and alumni.

Wolfpack Premier Partner

\$25,000 Tax-Deductible Portion: \$15,400

The **Wolfpack Premier Partnership** Program includes an exclusive opportunity for the world's most innovative organizations to enjoy an exciting day engaging with students and career center leaders from across the campus. Premier Partners will also enjoy many branding opportunities to showcase products and services during the premier corporate spotlight event.
